

November 7, 2016

The Honorable Marsha Blackburn
Member, United States
House of Representatives
305 Public Square, Suite 212
Franklin, TN 37064

Dear Representative Blackburn:

Thank you for your e-mail message dated October 5, 2016, on the behalf of your constituent, (b)(6), regarding an expired lease (GS-04B-34049) with the U.S. General Services Administration (GSA) for property located at 1341 Sycamore View in Memphis, Tennessee.

On October 25, 2016, Ms. Shontise Mangham, Supervisory Realty Specialist with GSA's Southeast Sunbelt Region, contacted (b)(6). As a result of that conversation, GSA is reviewing the events and documentation that led to the debt being turned over to the U.S. Department of the Treasury for collection.

GSA will determine the final balance of (b)(6) accounts, and provide (b)(6) a written response detailing its findings no later than November 9, 2016.

If you have any additional questions or concerns, please contact me at (202) 501-0563.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lisa A. Austin".
